

## ENVIRONMENTAL POLICY STATEMENT

At CHT Australia Pty Ltd we assume responsibility for the protection and safety of people and environment, by extension we commit to minimize the impact of our activities on the environment.

The key points of our strategy to achieve this are:

- By evaluating operations and ensuring they are as efficient as possible, in safety, energy, yield and time aspects.
- Further minimise emissions and waste through the selection and use of appropriate and compliant mechanisms.
- Actively promote recycling both internally and through our interactions with customers and suppliers.
- Source and promote a product range and raw materials to minimize the environmental impact of both production and distribution.
- Meet or exceed environmental legislation that relate to the Company for EPA and HSE.
- When Possible use an accredited program to offset the greenhouse gas emissions generated by our activities.
